Dinner is mine!

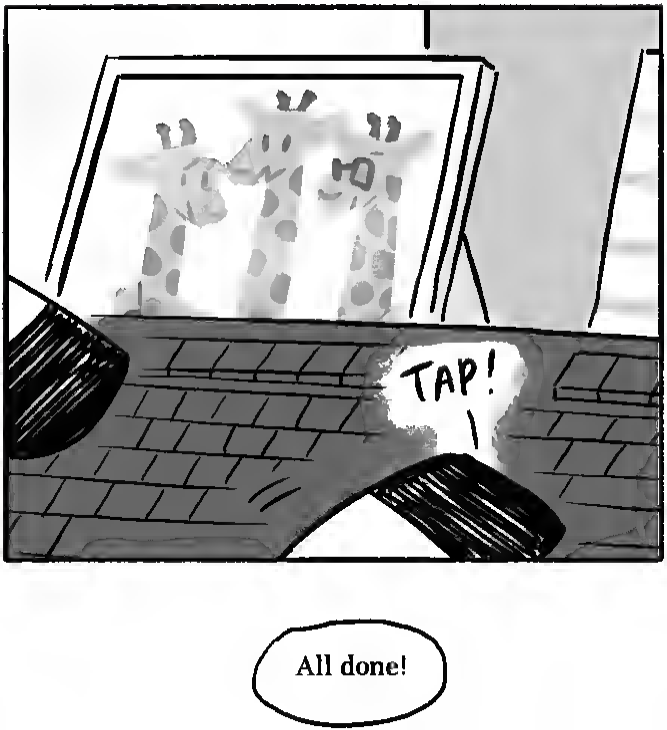
When I was small, my mum would spend days to take care of me whenever I get sick or injured.

I pressed so many times and it's still not working
You don't need to press so hard, just touch it is ok...
Where is that button?

Come to think about it, actually I'm around the same age as Bonnie.
Ah, I should thank my parents for bringing me to this world and raising me up.

Now that I have grown up,

it's time for me to return the favor.



Great weather

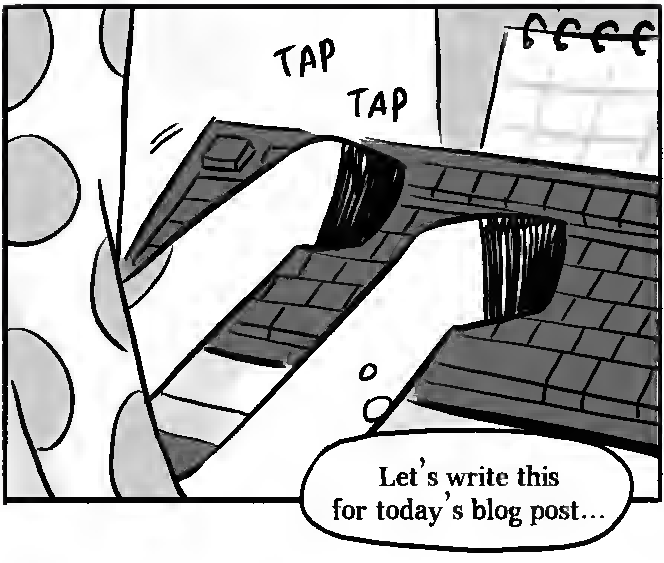
When I was small,

my parents would take me to row a boat at the lake.



When I was small,

my parents cared for me a lot.

When I was small, my father used to buy me my favorite food if I behaved well.

When I was small, my parents used to teach me a lot of things and helped with my homework.

Now, when I am on holiday,

I take them to the lake and row the boat.

Mum, let me hold this for you
Thanks dear!

Show your love to the ones
who cared about you!

My parents took great care of me over the years.

Now, it's my turn to take care of them

when they fall ill.
